The rings we worn summers since

Am

The flowers were still alive

F

They say that our own bodies

C

Are made of bones and dust

Ema j

And how we lie beneath the maple tree

Am

And pray that the leaves don t cover us

F

Ohhhhh

C Ema j

Our hearts were beating

F

Like humming birds that night

G

C

A restless wind blew them open

Am **Ema j** **F**

As the birds were taking flight

G **C**

Young hearts are bright

F **C**

And just as light

Ema j **Am**

And blowing in the air tonight

F **C**

C Am 2x Little Solo

She said I want to believe

F **G**

That we can laugh

C

But I know that it s tough when your lost in the leaves

Am

And I m in no rush

F **G**

But if we try to unite then we might just turn back into dust

C

Am

F

It s only natural for us

G

C

Walking through this hotel

C

I m reminded

Ema j

Of all the trees that we tore down

Am

To let the sun shine in

F

We buried our beating hearts

C

Under the rocks and dirt

Ema j

And now mine is filled with the fallen leaves

Am

And if you re not here it s going to burst

F

Ohhhhh

C Ema j

Our hearts were beating

F

Like humming birds that night

G C

A restless wind blew them open

As the birds were taking flight
