VERSE:

A G D
Don t give me a place for my memories to stay
G A
Don t show me an end or a light to find the way
Bm A D G
I ain t got time for the things on your mind
D A
And I m leaving you today
G D
On my way

VERSE:

A G D
Please don t you cry when the time to part has come
G A
It s not for what you ve said or anything that you ve done
Bm A D G
I ve got to go anywhere any time
D A
And I m leaving, gone today
G
On my way
D
I m going home

BREAK:

sl.

E A E A / G D

VERSE:

A **G** **D**
Please don t stick around to see when I m feeling low
G **A**
Don t pass the cards to me to deal the crushing blow
Bm **A** **D** **G**
I ll even close the door so you won t see me go
D **A**
When I m leaving, gone today
G D
I m on my way

VERSE:

A **G** **D**
I ll walk away like a shadow in the night
G **A**
I won t give cause for you to feel we have to fight
Bm **A** **D** **G**
I ll make it easy so that you won t really - quite
D **A**
Know I m leaving you today
G
On my way
D
And now I m going.

OUTRO:

sl.

E A E A / G D - FADE OUT

NOTE: There were 2 versions of this song that I listened to.
One appears to be played without a Capo and the other
with one on the first fret... Not sure which version
was the studio version or B side of the record. Play
with or without a capo depending on what version you
are playing.
