VERSE:

**B** **A** **E**  
Don t give me a place for my memories to stay  
**A** **B**  
Don t show me an end or a light to find the way  
**C#m** **B** **E** **A**  
I ain t got time for the things on your mind  
**E** **B**  
And I m leaving you today  
**A** **E**  
On my way

VERSE:

**B** **A** **E**  
Please don t you cry when the time to part has come  
**A** **B**  
It s not for what you ve said or anything that you ve done  
**C#m** **B** **E** **A**  
I ve got to go anywhere any time  
**E** **B**  
And I m leaving, gone today  
**A**  
On my way  
**E**  
I m going home

BREAK:

sl.

**F# B F# B / A E**

VERSE:

**B** **A** **E**  
Please don't stick around to see when I'm feeling low

**A** **B**  
Don't pass the cards to me to deal the crushing blow

**C#m** **B** **E** **A**  
I'll even close the door so you won't see me go

**E** **B**  
When I'm leaving, gone today

**A E**  
I'm on my way

VERSE:

**B** **A** **E**  
I'll walk away like a shadow in the night

**A** **B**  
I won't give cause for you to feel we have to fight

**C#m** **B** **E** **A**  
I'll make it easy so that you won't really - quite

**E** **B**  
Know I'm leaving you today

**A**  
On my way

**E**  
And now I'm going.

OUTRO:

sl.

**F# B F# B / A E** - FADE OUT

NOTE: There were 2 versions of this song that I listened to. One appears to be played without a Capo and the other with one on the first fret... Not sure which version was the studio version or B side of the record. Play with or without a capo depending on what version you are playing.
