

To The Ghosts Who Write History Books
The Low Anthem

ODD CHORDS - C/G*	C/F**
0	0
1	1
0	2
2	3
3	3
3	x

*You can play a regular C instead of C/G. Both are fine but I think C/G sounds nicer.

**You can also play a regular F instead of C/F. Again, they both sound pretty close, but I think C/F sounds nicer. All down to personal preference =)

[Intro - **C/G, C/F, C/G**]

	C/F		C/G			
To them	ghosts	who	write	history	books,	
	C/F		C/G			
All them	ghosts	who	write	songs,		
Am	C/F		G	C/G	C/F	C/G
Now everyone	asks	would	you	write	one	about
	C/F		C/G			
To them	ghosts	in	the	train	yard,	
	C/F		C/G			
All them	ghosts	in	my	drink,		
Am	C/F		G	C/G	C/F	C/G
Your moneys	no	good	here,	just	write	one
						about
						me.

	Am		C/F		C/G	
And when	you	go	where	the	winds	are
	Am		C/F		C/G	
When you	go	where	flowers	bend,		
Am	C/F		G		Am	
Please	take	along	all	the	best	of
	G		C/G			
And	come	back	unchanged,			
	G		C/G		C/F	C/G
With your	demons	all	tamed	and	your	flowers
						uncut.

[Instrumental - **C/F, C/G, C/F, C/G, Am, C/F, G, C/G, C/F, C/G**]

	Am		C/F		C/G	
And when	you	go	where	the	winds	are
						strong,

Am **C/F** **C/G**
 Where soldiers carve their stones,
Am **C/F** **G** **Am**
 Please take along all the best of my luck,
G **C/G**
 And come back unchanged,
G **C/G** **C/F** **C/G** **C/F** **C/G**
 With your demons all tamed and your flowers uncut.

C/F **C/G**
 To them ghosts who write history books,
C/F **C/G**
 All them ghosts who write songs,
Am **C/F** **G** **C/G** **C/F** **C/G**
 Everyone asks would you write one about me,
C/F **C/G**
 To them ghosts in the train yard,
C/F **C/G**
 Them ghosts in my drink,
Am **C/F** **G** **C/G** **C/F** **C/G**
 Your moneys no good here, just write one about me,
G **C/G** **C/F** **C/G**
 Would you write one about me.
