

To The Ghosts Who Write History Books
The Low Anthem

ODD CHORDS - C/G*	C/F**
0	0
1	1
0	2
2	3
3	3
3	x

*You can play a regular C instead of C/G. Both are fine but I think C/G sounds nicer.

**You can also play a regular F instead of C/F. Again, they both sound pretty close, but I think C/F sounds nicer. All down to personal preference =)

[Intro - **B/G, B/F, B/G**]

B/F	B/G				
To them ghosts who write history books,					
B/F	B/G				
All them ghosts who write songs,					
G#m	B/F	F#	B/G	B/F	B/F#
Now everyone asks would you write one about me,					
B/F	B/G				
To them ghosts in the train yard,					
B/F	B/G				
All them ghosts in my drink,					
G#m	B/F	F#	B/G	B/F	B/F#
Your moneys no good here, just write one about me.					

G#m	B/F	B/G			
And when you go where the winds are strong,					
G#m	B/F	B/G			
When you go where flowers bend,					
G#m	B/F	F#	G#m		
Please take along all the best of my luck,					
F#	B/G				
And come back unchanged,					
F#	B/G	B/F	B/G		
With your demons all tamed and your flowers uncut.					

[Instrumental - **B/F, B/G, B/F, B/F#, G#m, B/F, F#, B/G, B/E, B/G**]

G#m	B/F	B/G

 Where soldiers carve their stones,

 Please take along all the best of my luck,
F# **B/G**

 With your demons all tamed and your flowers uncut.
