Intro: **D - Dsus4 - D**

**D** **Bm** **G**  
Today the sun is shining and I feel a million dollars  
**D** **Bm** **G**  
And I don t need reminding that I own eleven cents  
**D** **Bm** **G**  
The winter of my discount-tent when we first met each other  
**D** **Bm**  
Became the summer of the seventeenth dole payment  
**G**  
And we became best friends

Play Intro: **D - Dsus4 - D**

**D** **Bm** **G**  
I can see through open doors there s someone sitting on the staircase  
**D** **Bm** **G**  
This house used to be yours we used to turn it upside down  
**D** **Bm** **G**  
Now it s the right way up and the grass is cut But it ll never quite be  
their place  
**D** **Bm** **G**  
I haven t seen you for a while You should come round  
**D** **Em** **G**  
You should come round- if you re not too busy  
**D** **Em** **G**  
Come round- and we ll throw the frisbee  
**D** **Em** **G**  
Come round- tell me that you miss me

Play Intro: **D - Dsus4 - D**

**D** **Bm** **G**  
Are you sure you thought through the things we said that Thursday  
You were on and off my doorstep but you re often on my mind

And I ve still got the alarm clock that you bought me for my birthday

**D** **G**

And I wake up at nine

**D** **Em**

There s no present like the time

**D** **Em** **G**

Come round if you re not too busy

**D** **Em** **G**

Come round and we ll throw the frisbee

**D** **Em** **G**

Come round, tell me that you miss me

**D** **Em** **G**

With love from me to you and back again

**D** **Em** **G**

I haven t got a clue what s happening

**D** **Em** **G**

I only know with you I m happy

**Em** **F#m** **G**

And that s good enough for me
