G **Am**
I don?t know when it started
G **Am**
But it?s worse now than before
G **Am**
We could both be broken hearted
G **Am**
It?s so hard to be sure
Em **C**
But what are boyfriends for?

We went from perfect strangers
To less than perfect friends
But it?s the warmest night in ages
And I don?t have to pretend

It?s good seeing you again

C **G**
And it?s more than a little pathetic
C **G**
And I?m sure I?ll live to regret it
C **G**
But I?m all for little athletics
C

You?re on your own
D7
I?ll race you home

And maybe I?m just thoughtless
But I don?t think that?s fair
Of course we should be cautious
But I?m too tired to care
We?re less than halfway there

And it's more than a little pathetic
And I'm sure I'll live to regret it
But I'm all for little athletics,
You're on your own I'll race you home

I don't know when it started
But it's worse now than before
We could well be broken hearted
But what are boyfriends for?
I know you're none too sure
