I'll put this place behind me soon
For somewhere bright and shiny and new
These streets got smaller the more I grew
 G **D** **C**
It might be trite but it's true
 G **D** **Em** **C**
I'm walking home in the early evening
My fingers are numb and I can see myself breathing
I feel down and out, I feel like up-and-leaving
 G **D** **C**
There's somewhere I'd rather be
than here

 G **D** **Em** **C**
I'm as good as my word, I'm as good as gone
Some days nothing can go wrong
And I feel strange and I feel strong
 G **D** **C**
This is not where I belong...
 G **C**
And I don't love you any more
 G **C**
And I don't love you any less
 G **C**
You're just as lovely as you were
