If it s the last time

V2:

Hold my brother s hand  
And I m his mother standing  
In a sudden panic  
Like a drugless addict

It s too late, the moment  
When it runs you over  
No one s safe, I need her  
No one say it s over

Suits were made for men, not boys  
So leave me alone  
And this faith that we fake is a choice  
So take me (home)

I don t wanna go  
And I don t wanna go  
If it means goodbye  
And I don t wanna go  
I don t wanna see her  
If it s the last time
