                        G#   **G#***
If it s the last time

V2:
Hold my brother s hand
And I m his mother standing
In a sudden panic
Like a drugless addict

It s too late, the moment
When it runs you over
No one s safe, I need her
No one say it s over

Suits were made for men, not boys
So leave me alone
And this faith that we fake is a choice
So take me (home)

I don t wanna go
And I don t wanna go
If it means goodbye
And I don t wanna go
I don t wanna see her
If it s the last time
