

**Elouise**

**The Lumineers**

[Verse 1]

**C**                **G**                **F**  
If you re down on your luck  
                 **C**                **F**  
don t get down on yourself  
                 **G**                **C**  
it won t do you no good  
**C**                                **G**  
cause I ve been there before,  
**F**                **Am**  
fought a hundred wars,  
**F**                                **G**                                **C**  
but I m still fighting for you

[Chorus]

**F**    **C**    **G**                **C**  
Elouise, why d you leave  
**F**                **Am**                **G**                                **C**  
please confess, confess to me  
**F**                **C**                **G**                **C**  
sing my song, patiently  
**F**                **Am**                                **G**    **C**  
and I ll return, my Elouise

[Verse 2]

**C**                **G**  
Let s be Elvis and  
**F**                **C**  
let s be David Bern,  
**F**                **G**                                **C**  
let s all learn how to dance  
**C**                **G**  
move your feet in time,  
**F**                **Am**  
put your hand in mine,  
**Am**                **G**                                **C**  
we will waltz once again

[Chorus] x2

**F**    **C**    **G**                **C**  
Elouise, why d you leave  
**F**                **Am**                **G**                                **C**  
please confess, confess to me  
**F**                **C**                **G**                **C**  
sing my song, patiently  
**F**                **Am**                                **G**    **C**  
and I ll return, my Elouise

[Outro]
