

**Flowers In Your Hair**  
**The Lumineers**

[Verse]

**G**

When we were younger

**G**

We thought everyone was on our side

**G**

Then we grew a little

**Cadd9**

And romanticized the time I saw

**G**

Flowers in your hair

**D**

Takes a boy to live

**Cadd9**

**G**

Takes a man to pretend he was there

**G**

So then we grew a little

**G**

Knew a lot

**G**

And now we demonstrated it to the cops

**Cadd9**

And all the things we said

**G**

We were self assured

**D**

It s a long road to wisdom

**Cadd9**

**G**

It s a short one to being ignored

[Chorus]

**Em**

**D**

Be in my eye

**G**

Be in my heart

**Em**

**D**

Be in my eye, eyeyeye

**G**

Be in my heart

[Verse]

**G**

So now I think that I could love you back

**G**

And I hope its not too late

**G**

Cause youre so attractive

**Cadd9**

And the way you move

**G**

I won t close my eyes

**D**

Takes a man to live

**Cadd9**

**G**

Takes a woman to make him compromise

[Chorus]

**Em**

**D**

Be in my eye

**G**

Be in my heart

**Em**

**D**

Be in my eye, eyeyeye

**G**

Be in my heart
