The Lumineers

[Intro]

C Em C G C Em D G x2

[Verse 1]

C Em
She ll lie and steal and cheat
C G
And beg you from her knees;
C Em D G
Make you think she means it this time.
C Em
She ll tear a hole in you,
C G
The one you can t repair,
C Em D G
But I still love her I don t really care.

[Pre-chorus]

C G Em D
When we were young, ooh we did enough.
C G Em D
When it got cold, oooooooo we bundled up.
C G Em D G
I can t be told, aaaaaaaah it can t be done.

[Verse 2]

C Em
It s better to feel pain
C G
Than nothing at all;
C Em D G
The opposite of love s indifference.
C Em
So pay attention now,
C G
I m standing on your porch screamin out,
C Em D G
And I won t leave until you come downstairs.

[Chorus]

C **G** **D** **Em**
So keep your head up, keep your love.

[Verse 3]

C **Em**
I don t blame you dear,
 C **G**
Running like you did all these years,
C **Em** **D** **G**
I would do the same you best believe.
C **Em**
And the highway signs say we re close,
C **G**
But I don t read those things anymore;
C **Em** **D** **G**
I never trusted my own eyes.

[Pre-chorus]

C **G** **Em** **D**
When we were young, oooh we did enough.

I can t be told, aaaaaaaah it can t be done.
