

Feel To Follow
The Maccabees

Dm

How was I to ever believe it

Em

Itâ€™s never too late

Dm

Until itâ€™s too late and Iâ€™ll be stranded

Em

And Iâ€™ll need something

Dm

Now I can see it, and I can feel it

Em

I believe it

Dm

Ever since I can remember

Em

Itâ€™s been as nothing

Dm Am

G

Until I almost feel to follow

Dm

Am

Feel to follow, feel to follow

G

Bb

Feel to follow, feel to follow

Am

Dm

How will I ever dare to breathe it

Em

When itâ€™s over

Dm

Iâ€™ve seen it in another

Dm

Someone stronger

Em

They couldnâ€™t leave it

Dm Am

Until I almost feel to follow
