

Wall Of Arms
The Maccabees

This is the acoustic version which can be found here:

Thought I'd tab this as no one else seems to have and it's a cracking song.
For the chords just pick them fairly quickly as Orlando does in the video.

Standard Tuning.

Loved one's arms around me

Oh...oh... She's my one and only

I grew up in the bosom of my family

Eight strong arms around me

Those who kept me company

They are a wall of arms around me
