Fm G#
All of my friends who

hang this over my head
I m coming back from
the dead It s not over
not over All of my
friends who understand
where I ve been There s
no more wearing me thin
It s not over not over yet

Verse 2:

Blame me like you
should But one day
we ll go brag without
you It s taken a life
time to get all of
this right I checked
all my blind sides
Now I m getting through
