Intro: **D G D Em G** x2

Verse 1:

**D**

5 years ago we jumped  
feet first in the deep  
end Without a plan we

**G**

drove until our arms  
got tired of steering

**D**

I held on to you as we  
flew over to England

**G**

left house and home  
and now this place  
seems so familiar

**G**

So familiar

Chorus 1:

**D G**

I was told we ve got

**D G**

a right to take this

**Em**

There must be something

**G**          **D**  
in the water My minds  
**G**                  **Em**  
filled up with hope  
                          **G**  
But my life contradicts  
what I was told

Verse 2:

**D**  
No longer hold onto  
my possessions No  
                  **G**  
space to call my own  
that s the price we  
paid for freedom Lie  
                  **D**  
here and float as our  
dreams sink in the  
ocean I ve been around  
          **G**  
the world now the  
sites seem so  
                  **G**  
familiar So familiar

Interlude: **D G D G**

Chorus 2:

**D**          **G**  
I was told we ve got  
                  **D**          **G**  
a right to take this  
                  **Em**  
There must be something  
          **G**          **D**  
in the water My minds  
**G**                  **Em**  
filled up with hope  
                          **G**  
But my life contradicts  
what I was told  
**D**          **G**  
I was told we ve got  
                  **D**          **G**  
a right to take this  
                  **Em**  
There must be something  
          **G**          **D**  
in the water My minds

**G** **Em G**  
filled up with hope

Bridge:

It s all coming

**Bm G D**  
together now

**G**  
While my dreams  
repeat with me  
sinking in the  
deep end It s all

**Bm G D**  
coming together now

**G**  
Cause my conscience  
thinks I m afraid

**Bm G D**  
of this and All

**G**  
I have is my honest

**Bm G D**  
mistakes As I

**G**  
hold on and I

**A**  
recount my  
**D G D G D G D G Em G**  
faith to sing

Chorus 3:

**D G**  
I was told we ve got  
**D G**  
a right to take this

**Em**  
There must be something  
**G D**  
in the water My minds  
**G Em**  
filled up with hope

**G**  
But my life contradicts  
what I was told

**D G**  
I was told we ve got  
**D G**  
a right to take this

**Em**  
There must be something  
**G D**

in the water My minds

**G** **Em** **G**

filled up with hope

**G**

But my life contradicts

what I was told

**D** **G** **D** **G**

I was told

**Em**

we re running in

**G** **D** **G** **Em**

the deep end

and there s

**G**

something

in the water
