

**Run To Your Grave**  
**The Mae Shi**

It s pretty repetitive...

**E B G#m F#**  
Run, run, run to your grave (x4)

**E B**  
Cause they re coming for your brain but

**G#m F#**  
They will leave with your head

**E B**  
And they ve got money and science

**G#m F#**  
And they will leave you for dead

**E B G#m F#**  
Sleep, sleep, sleep in your tomb (x2)

**E B**  
Don t bury your body with your diamonds

**G#m F#**  
Cause you know they ll dig up your grave

**E B**  
And don t hold on to your riches

**G#m F#**  
Cause when you die, you re a slave

**E B**  
And emotion is a simple test to the synapse

**G#m F#**  
Don t let it fool you into thinking that you ve got brains

**E B**  
And the more you feel, the more you will take with you

**G#m F#**  
So cut the flesh and let your blood flow to the drain

(Drum roll)

You ve got to  
Tear, burn, soil the flesh  
God will do the rest  
Scream, cry, pray, confess  
God will do the rest

**E B G#m F#**  
Scream, cry, pray, confess

**E B G#m F#**  
God will do the rest

Repeat to end
