[Verse 1]
Early hours, leave the place
On the beach we re soaked in rain
Talk about the things we hate
And I can t seem to look away
[Pre-Chorus]
And then you try to take a photograph
Cause you say that I make you laugh
           Eb5
I make you laugh
[Chorus]
                    Dm
If you want me to, I ll show you my world
Cause you re more than just any other girl
But if you want me to, when I see you
We ll pretend I never ever met you

You wear your name around your neck
Something left behind, I ll check
Your earrings left beside the bed
Self-esteem hangs by a thread
[Pre-Chorus]
And then you
You act different, you act strange
Since we were alone you ve changed
             Eb5
Alone you ve changed
[Chorus]
                    Dm
If you want me to, I ll show you my world
