

Absolutely Cuckoo The Magnetic Fields

Don't fall in love with me yet

We only recently met

True I'm in love with you but

you might decide I'm a nut

Give me a week or two to

go absolutely cuckoo

then, when you see your error,

then, you can flee in terror

like everybody else does

I only tell you this cause

I'm easy to get rid of

but not if you fall in love

Know now that I'm on the make

and if you make a mistake

my heart will certainly break

I'll have to jump in a lake

and all my friends will blame you

There's no telling what they'll do

It's only fair to tell you

I'm absolutely cuckoo
