

All My Little Words  
The Magnetic Fields

[Verse 1]

**F#**

You are a splendid butterfly

**Ebm**

It is your wings that make you beautiful

**C# B**

And I could make you fly away

**F#**

But I could never make you stay

**F#**

You said you were in love with me

**Ebm**

Both of us know that that s impossible

**C# B**

And I could make you rue the day

**F#**

But I could never make you stay

[Chorus]

**C# B**

Not for all the tea in China

**F#**

Not if I could sing like a bird

**C# B**

Not for all North Carolina

**F#**

Not for all my little words

**C# B**

Not if I could write for you

**F#**

The sweetest song you ever heard

**C# B**

It doesn t matter what I ll do

**F#**

Not for all my little words

[Verse 2]

**F#**

Now that you ve made me want to die

**Ebm**

You tell me that you re unboyfriendable

**C# B**

And I could make you pay in pain

**F#**

But I could never make you stay

[Chorus]

**C#      B**

Not for all the tea in China

**F#**

Not if I could sing like a bird

**C#      B**

Not for all North Carolina

**F#**

Not for all my little words

**C#      B**

Not if I could write for you

**F#**

The sweetest song you ever heard

**C#      B**

It doesn't matter what I'll do

**F#**

Not for all my little words

**C#      B**

It doesn't matter what I'll do
