

Boa Constrictor
The Magnetic Fields

G# Eb C# G#
I spend my evenings alone
C# G# Eb
talking to your picture babe.
G# Eb C# G#
Love is wrapped around my heart
Eb C#
like a boa constrictor babe.

G# Eb C# G#
My mother should have murdered me.
C# G# Eb
What jury would convict her babe
G# Eb C# G#
for love is wrapped around my heart
Eb C# F
like a boa constrictor babe.
