

Boa Constrictor
The Magnetic Fields

G# **Eb** **C#** **G#**
I spend my evenings alone
 C# **G#** **Eb**
talking to your picture babe.
G# **Eb** **C#** **G#**
Love is wrapped around my heart
 Eb **C#**
like a boa constrictor babe.

G# **Eb** **C#** **G#**
My mother should have murdered me.
 C# **G#** **Eb**
What jury would convict her babe
 G# **Eb** **C#** **G#**
for love is wrapped around my heart
 Eb **C#** **F**
like a boa constrictor babe.
