

Boa Constrictor
The Magnetic Fields

F **C** **Bb** **F**
I spend my evenings alone
 Bb **F** **C**
talking to your picture babe.
F **C** **Bb** **F**
Love is wrapped around my heart
 C **Bb**
like a boa constrictor babe.

F **C** **Bb** **F**
My mother should have murdered me.
 Bb **F** **C**
What jury would convict her babe
 F **C** **Bb** **F**
for love is wrapped around my heart
 C **Bb** **D**
like a boa constrictor babe.
