

**Boa Constrictor**  
**The Magnetic Fields**

**F# C# B F#**  
I spend my evenings alone  
**B F# C#**  
talking to your picture babe.  
**F# C# B F#**  
Love is wrapped around my heart  
**C# B**  
like a boa constrictor babe.

**F# C# B F#**  
My mother should have murdered me.  
**B F# C#**  
What jury would convict her babe  
**F# C# B F#**  
for love is wrapped around my heart  
**C# B Eb**  
like a boa constrictor babe.
