

Candy

The Magnetic Fields

A **D** **E**
Candy, it's been really nice, but I've got to go
A **D** **E**
Cause I can't be the part of your life you don't wanna know

A **E** **D**
...and I can't keep lying all the time
A **E**
And I know you'll find a better man
G **D**
They're all too easy to find
F#m **E** **D** **E** **A**
And I'll just go away somewhere and slowly lose my mind

A **D** **E**
Candy, they called you a baby, they called you a whore
A **D** **E**
And I can't see the light at the end for you anymore

A **E** **D**
...and I can't keep lying all the time
A **E**
And I know you'll find a better man
G **D**
They're all too easy to find
F#m **E** **D** **E** **A**
And I'll just go away somewhere and slowly lose my mind

A **D** **E**
Candy, I can't be the man they want me to be
A **D** **E**
Maybe it was only with you that I could be me

A **E** **D**
...and I can't keep lying all the time
A **E**
And I know you'll find a better man
G **D**
They're all too easy to find
F#m **E** **D** **E** **A**
And I'll just go away somewhere and slowly lose my mind
