

Candy

The Magnetic Fields

G C D
Candy, it's been really nice, but I've got to go
G C D
Cause I can't be the part of your life you don't wanna know

G D C
...and I can't keep lying all the time
G D
And I know you'll find a better man
F C
They're all too easy to find
Em D C D G
And I'll just go away somewhere and slowly lose my mind

G C D
Candy, they called you a baby, they called you a whore
G C D
And I can't see the light at the end for you anymore

G D C
...and I can't keep lying all the time
G D
And I know you'll find a better man
F C
They're all too easy to find
Em D C D G
And I'll just go away somewhere and slowly lose my mind

G C D
Candy, I can't be the man they want me to be
G C D
Maybe it was only with you that I could be me

G D C
...and I can't keep lying all the time
G D
And I know you'll find a better man
F C
They're all too easy to find
Em D C D G
And I'll just go away somewhere and slowly lose my mind
