

Candy

The Magnetic Fields

B **E** **F#**
Candy, it's been really nice, but I've got to go
B **E** **F#**
Cause I can't be the part of your life you don't wanna know

B **F#** **E**
...and I can't keep lying all the time
B **F#**
And I know you'll find a better man
A **E**
They're all too easy to find
G#m **F#** **E** **F#** **B**
And I'll just go away somewhere and slowly lose my mind

B **E** **F#**
Candy, they called you a baby, they called you a whore
B **E** **F#**
And I can't see the light at the end for you anymore

B **F#** **E**
...and I can't keep lying all the time
B **F#**
And I know you'll find a better man
A **E**
They're all too easy to find
G#m **F#** **E** **F#** **B**
And I'll just go away somewhere and slowly lose my mind

B **E** **F#**
Candy, I can't be the man they want me to be
B **E** **F#**
Maybe it was only with you that I could be me

B **F#** **E**
...and I can't keep lying all the time
B **F#**
And I know you'll find a better man
A **E**
They're all too easy to find
G#m **F#** **E** **F#** **B**
And I'll just go away somewhere and slowly lose my mind
