but baby, you know how to say goodbye

The thing I spent my whole life waiting for
has just walked out and locked the door
The thing I spent my whole life waiting for
has just walked out and locked the door
You can t feel a thing and you won t even try
but baby, you know how to say goodbye
I m overjoyed to hear about your wedding
I m writing you to wish you every blessing
I m overjoyed to hear about your wedding
I m writing you to wish you every blessing
and I m so happy I could cry
Oh baby you know how to say goodbye
and I m so happy I could cry
Oh baby you know how to say goodbye
