

**I Dont Really Love You Anymore**  
**The Magnetic Fields**

Supposed To Be On A Ukulele, It Sounds Ok and It s A Sweet Song =]

**G** **A**  
True, I d give my right arm  
**D** **B**  
To keep you safe from harm  
**G** **A** **B**  
And true, for you, I d move to Ecuador  
**G** **A**  
And I d keep a little farm  
**D** **B**  
Chop wood to keep you warm  
**G** **A** **D**  
But I don t really love you anymore

**G** **D** **A**  
I don t have to love you now if I don t wish to  
**G** **D** **A**  
I won t see you anyhow if that s an issue

**G** **A**  
Because I am a gentleman  
**D** **B**  
Think of me as just your fan  
**G** **A** **B**  
Who remembers every dress you ever wore  
**G** **A**  
Just the bad comedian  
**D** **B**  
Your new boyfriend s better than  
**G** **A** **D**  
Cos I don t really love you anymore  
**G** **D** **A**  
There ll be someday when your eyes do not enthrall me  
**G** **D** **A**  
I ll be numb I realize you ll never call me

**G** **A**  
Cos I ve read your horoscope  
**D** **B**  
And now I ve given up all hope  
**G** **A** **D**  
So I don t really love you anymore  
**G** **A**

Cos I ve read your horoscope

**D** **B**

And now I ve given up all hope

**G** **A** **D**

So I don t really love you anymore.

Love Matt
