and nothing is making sense

F C

There s a floating town of eiderdown

F C (

in a mist of mystery

C F (

There s an old enchanted castle

F C G

and the princess there is me

C

decked out like a Christmas tree

\*\*\*\*I think you guys can figure out the rest it s the exact same thing. There you go. Enjoy!

I guess you ve had your little joke but I have lost my sense of humor My medication s wearing off or it s just not strong enough to cover this

and then you kiss me like before and I find myself wanting more and you tell that little lie that kept me hypnotized: another kiss...

And a long-forgotten fairytale
is in your eyes again
and I m caught inside a dream world
where the colors are too intense
and nothing is making sense
There s a floating town of eiderdown
in a mist of mystery

There s an old enchanted castle and the princess there is me decked out like a Christmas tree

If someone told me I d succumb

If someone said I d be so dumb

after all the sleepless nights

when I turned on all the lights

I would have hit them

but I have turned the other cheek

My voice trembles, my knees are weak

and you beat me once again

and I know what happens then:

you raise the ante...

And a long-forgotten fairytale is in your eyes again and I m caught inside a dream world where the colors are too intense and nothing is making sense
