

**The Book Of Love**  
**The Magnetic Fields**

[Verse]

**G**            **C**            **D/F#**        **G**  
The book of love is long and boring

**G**            **C**            **D/F#**        **G**  
No one can lift the damn thing

**G**            **C**            **D/F#**        **G**  
It s full of charts and facts and figures

**G**            **C**            **D/F#**        **G**  
And instructions for dancing but

[Chorus]

**G C D/F# G**  
I...

**G**            **C**            **D/F#**        **G**  
I love it when you read to me and

**G C D/F# G**  
You...

**G**            **C**            **D/F# G**  
You can read me anything

(Continue this pattern for the rest of the song)

[Verse]

The book of love has music in it  
In fact that s where music comes from  
Some of it is just transcendental  
Some of it is just really dumb but

[Chorus]

I...  
I love it when you sing to me and  
You...  
You can sing me anything

[Verse]

The book of love is long and boring  
And written very long ago  
It s full of flowers and heart-shaped boxes  
And things we re all too young to know but

[Chorus]

I...

I love it when you give me things and  
You...  
You ought to give me wedding rings  
I...  
I love it when you give me things and  
You...  
You ought to give me wedding rings
