The girls are crying

Am

On the corner

F

Because the boys all left

Am

G

And they ve had too much to drink

C

We re in London

Am

Mid October

F

Am

He s convinced the blonde by the bar

G

Just gave him a wink

F

And the words he spoke

Am

G n.c.

Left me in disbelief

He said,

F

C

G

Smoke whatever you ve got left,

Am

F

It s getting late and

C

G

We don t have much to lose

Well she said,

F

C

G

English girls they just like sex

Am

F

I couldn t believe when he said,

C

G

I ve got news for you

C

Her face went red as

Am

The words left his tongue and

F

She rolls up a cigarette

Am

G

And he strikes a paper match

C

I can tell he s pouring honey

Am

Into her ear as

F

Am

Us teenage kids were getting pissed

G

On cider and black

Am

Pins her against the wall

F

Tells her she s beautiful

C

She says she s going home

G n.c.

That s when he said...

F
