Hope you like it :)
The Maine - Every Road
Oh, it s safe to say I knew it
Yeah, I knew it all along
          G#
Asking the same questions
Ebm
Singing the same songs
F#
I ve been gone for a while
Been traveling alone
Searching for a new life
When I already have my own
So walk back home,
                  Ebm
On every road.
F#
On every road we cross alone
We re thinking of those we left back home
                           F#
So follow the lines and I ll be your guide
C#
Cause were the lucky ones ..... on every road
       EbM
                           F#
                                              C#
I figured out that every tutorial for this song was soo hard to learn and theres
videos on youtue so I did this for .. you who is reading :)
