In Darkness & In Light EP

INTRO: **E**

VERSE I:
E   B
Angels with dirty faces
C#m   A2   **E**--
Darkness begins to take me tonight (Oh Oh Woah)2

E   B
Good friends, bad habits
C#m   A2
In the end we re all tragic
         E--
So why? (Oh Oh Woah)2

PRE-CHORUS:
B   A2   **B** (pause)
     I can t go on like this forever

CHORUS:
               E   **B**
I started to run, I put down the gun
      C#m   **A2**
Oh I m learning to be free
               E   **B**
Looked up at the sky, started to fly
        C#m   **A2**
It feels better to be me
       B
No you can t take nothing from me
           E
Cause I m free

VERSE 2:
E   B
Wake up and move forward
C#m   A   **E**--
Shake off that cold shoulder tonight (Oh Oh Woah)2
E   B
Relapse you re walking backwards
C#m   A2   **E**--
Relax forget your problems tonight (Oh Oh Woah)2

PRE-CHORUS:
```
B          A                        B
      No I can t go on like this forever
```

CHORUS:
```
              E                 B
I started to run, I put down the gun
      C#m           A
Oh I m learning to be free
               E            B
Looked up at the sky, started to fly
         C#m         A
It feels better to be me
        B
No you can t take nothing from me
```

Cause...

BRIDGE:
```
    C#m           A2
I m free and I breathe
         E              B
So the change is up to you
      C#m         A2
To be free and release
         E              B
All the shit you used to do
```

Adlib: **C#m**-**A2**-**E**-**B** (2x)

PRE-CHORUS:
```
  A2                      B
I can t go on like this forever
```

FINAL CHORUS:
```
              E                 B
I started to run, I put down the gun
        C#m           A
Oh I m learning to be free
               E            B
Looked up at the sky, started to fly
         C#m         A
It feels better to be me

              E                 B
I started to run, I put down the gun
      C#m           A
Oh I m learning to be free
               E            B
Looked up at the sky, started to fly
         C#m         A
It feels better to be me
        B
```

No you can t take nothing from me
              E
Cause I m free
