

Give It To Me
The Maine

So, I thought this song kinda sounded like Stacy s Mom. I re-arranged a couple chords and I think this sounds *good enough*. Any corrections, feel free. The whole song is E A B C#m. Oh, and UG probably messed up my spacing, but I m sure you ll be able to figure it out.(:

E A
The way you moving,
B C#m
Across the floor,
E A
Don t have to say it,
B C#m
You want some more
E A B C#m
Give me some more, more, more
E A B C#m
Give me some more, more, more
E(?)
I want some more

E A
Give me what I want
B
Give me all you got
C#m E A B C#m
Give it to me (woah, woah)
E A

C#m E A B C#m
Give it to me (woah, woah)

E A
Tired of playing,
B C#m
I m getting bored.
E A
No need to say it,
B C#m
I want some more.
