We ve both lost our minds, nowhere to be found
            F#m                      D
It s getting hot, I m not saying this is hell
      A       E                            A
But I swear, this girl is a mess you could sell
