

**Love And Drugs**  
**The Maine**

First tab, love this song and can't believe no-one else has done chords! No capo and all chords are the barred versions, try say with the E string as much as possible :)

Intro **B C# G#**

**B C# G#**  
Sophisticated mood swings  
**B C# G#**  
Manipulated daydreams  
We've got champagne taste  
But not enough money for the real thing  
We've got flames in our veins  
And just enough money for the weekend

**E B**  
And last night I did things  
**F#**  
My mother told me not to  
**E B**  
With the people I shouldn't see  
**F#**  
In the places that I should not go  
**E B**  
And it felt just like  
  
And it felt just like

And it felt just like
