

Love And Drugs
The Maine

First tab, love this song and can't believe no-one else has done chords! No capo

and all chords are the barred versions, try say with the E string as much as possible :)

Intro **G# Bb F**

G# Bb F

Sophisticated mood swings

G# Bb F

Manipulated daydreams

We've got champagne taste

But not enough money for the real thing

We've got flames in our veins

And just enough money for the weekend

C# G#

And last night I did things

Eb

My mother told me not to

C# G#

With the people I shouldn't see

Eb

In the places that I should not go

C# G#

And it felt just like

And it felt just like

Eb

And it felt just like

C#

And it felt just like

G#

And it felt just like

And it felt just like

Eb

It felt like love and drugs

Intro repeated **G# Bb F**

(Same chords through next verses)

Debilitated feelings

Sprawled across the bed

She's spinning perfect blue buildings

While I'm counting crows inside my head

We ve got champagne taste
But not enough money for the real thing
We ve got flames in our veins
And just enough money for the weekend

C# **G#**
And last night I did things

Eb
My mother told me not to

C# **G#**
With the people I shouldn t see

Eb
In the places that I should not go

C# **G#**
And it felt just like

And it felt just like

Eb
And it felt just like

C#
And it felt just like

G#
And it felt just like

And it felt just like

Eb
It felt like love and drugs

C# **F** **C#**
Let the waves of strange fall down

Bbm **F** **Eb**
Let them crash and drift around

C# **G#**
And last night I did things

Eb
My mother told me not to

C# **G#**
With the people I shouldn t see

Eb
In the places that I should not go

C# **G#**
