  No, no not at all

D                A

  Or if I m going anywhere at all
                    E
  But I know I ll take the leap
  If it is worth the fall
D                        A
  So as long as the blood keeps flowing
                    F#m
  I ll set a sail and swim across
              E
  I m not looking to be found
              A
  Just want to feel unlost

A                    D

   A               D
Whatever this is doesn t get easier

  But I know I ll take the leap
  If it is worth the fall
D                         A
  So as long as the blood keeps flowing
                      F#m
  I ll set a sail and swim across
                  E
  I m not looking to be found
