Untangle Me
The Maine

Just decided to figure this out after falling in love with it.
It s off The Maine s new LP In Darkness & In Light
Enjoy!

Intro - **E**

Verse 1.
E   **Asus2**
Here s to words that tell the truth, when it s easier to lie
E   **Asus2**
Here s to staring into the sun, when you used to close your eyes
            B   **Asus2**
I was the dark before the dawn, the voice without a song,
    B   (Ring) **B**
The words that came out wrong but you heard me all along

Chorus.
E   **B**   **Asus2**
Untangle me, I m not looking for a sign,
                                        B
Keep your body next to mine and set me free
E   **B**   **Asus2**
Untangle me, from these feelings trapped inside
                                        B
Way out past the smoke and fire is where I ll be,
C#m   **B**
I ve been waiting such a long time for someone to come along,
(Pause)
Untangle me

Break -**E**

Verse 2.

E   **Asus2**
I m on the inside looking outside, that s the only place I ve been
E   **Asus2**
Hesitating, suffocating, but then you let me in
            B   **Asus2**
I was the storm before the calm, the hope is hanging on,
    B   (Ring) **B**
The words that came out wrong, but you heard me all along

Chorus.

```
E        B            Asus2
Untangle me, I m not looking for a sign,
                                          B
Keep your body next to mine and set me free
E        B            Asus2
Untangle me, from these feelings trapped inside
                                             B (Build)
Way out past the smoke and fire is where I ll be,

Middle 8.
     C#m    B
Yeah, whoa,

        Asus2       B
untangle me, whoa
     Asus2                    B
And maybe for the first time, you ll get the best of me
     C#m                          Asus2
The part that isn t broken like before,
B (build)
The man I m not afraid of anymore

Chorus.
E        B            Asus2
Untangle me, I m not looking for a sign,
          B  (Build up and let it ring on  yeah )
Keep your body next to mine, set me free, yeah

E        B            Asus2
Untangle me, from these feelings trapped inside
        B
Way out past the smoke and fire is where I ll be,
          C#m                          B-
I ve been waiting such a long time for someone to come along,
        Asus2
Untangle me

     B
Whoa, (oh no baby)
       Asus2
Untangle me,
     B
Whoa, (oh keep on waiting)
      Asus2
Untangle me
      B
Whoa, (that s all I m saying)
E (Ring)
Untangle me
```
