

**Who Ever She May Be**  
**The Maine**

Song: Whoever She May Be  
Band: The Maine

Tuning: Standard

This song is pretty straight forward. The changes are a easy once you get used to them,  
to the song to figure them out.  
I personally don t play the full chords to this song, I think it sounds better without.  
am not 100% on the bridge but it works.  
Leave some love for me if you like it or have any corrections.
