I was born on a river that flows to the sea
Am **F** **G**
And all that I know, well, she taught it to me
C **F** **C**
She is a dangerous beauty, she s fickle and cold
Am **F** **G** **C**
But if you gave her respect, she might let you grow old.

F **C** **G**
She s a Syren that calls to us when we are on shore
F **C** **D** **G**
You can smell her and taste her and hear the wawe s roar
C **F** **C**
She the giver and the maker and the taker of life
Am **F** **G** **C**
She s the tears of the mothers and daughters and wives.

F **C**
So Lightkeeper make sure your flame s burning bright
Am **D** **G**
And keep us weel off of those rocks in theese parts
F **C**
Guide us back home through the dark of the night
Am **D** **G**
Oh lightkeeper shine like the moon and the stars
F **G** **C**
Shine like the moon and the stars.

C **F** **C**
Oh damn the bad weather we ll go out today
Am **F** **G**
Shoulder to shoulder we ll pull our day s pay
C **F** **C**
Work with the wind and we ll sail with the tide
Am **F** **G** **C**
And haul the fish up from wherever they hide.

F **C** **G**
We belong to the ocean for better or worse
F **C** **D** **G**
And God will decide if it s a blessing or curse

C **F** **C**
Pitch black and blowing that s her gift to give
Am **F** **G** **C**
She may kill us tomorrow but tonight let us live.

F **C**
So Lightkeeper make sure your flame s burning bright
Am **D** **G**
And keep us weel off of those rocks in theese parts
F **C**

Am **C** **G**
And drink to the whales and the gails and the spray
C **F** **C**
To the boat and the captain and the hard-working crew
Am **F** **G** **C**
To the lobster and codfish let s drink to them too
F **C** **G**
May the fishin be good and wind always there
F **C** **D** **G**
Make it home make a promise and then hear the swear
C **F** **C**
By the salt in my veins and look in my eye
Am **F** **G** **C**
I m a sailor and a sailor I ll be till I die

F **C**
