I was born on a river that flows to the sea
C#m **A** **B**
And all that I know, well, she taught it to me
E **A** **E**
She is a dangerous beauty, she s fickle and cold
C#m **A** **B** **E**
But if you gave her respect, she might let you grow old.

A **E** **B**
She s a Syren that calls to us when we are on shore
A **E** **F#** **B**
You can smell her and taste her and hear the wawe s roar
E **A** **E**
She the giver and the maker and the taker of life
C#m **A** **B** **E**
She s the tears of the mothers and daughters and wives.

A **E**
So Lightkeeper make sure your flame s burning bright
C#m **F#** **B**
And keep us weel off of those rocks in theese parts
A **E**
Guide us back home through the dark of the night

C#m **A** **B**
Shoulder to shoulder we ll pull our day s pay
E **A** **E**
Work with the wind and we ll sail with the tide
C#m **A** **B** **E**
And haul the fish up from wherever they hide.

A **E** **B**
We belong to the ocean for better or worse
A **E** **F#** **B**
And God will decide if it s a blessing or curse

E Pitch black and blowing that s her gift to give
C#m **A** **B** **E**
She may kill us tomorrow but tonight let us live.

A **E**

C#m **A** **B** **E**

A **E** **B**
May the fishin be good and wind always there
A **E** **F#** **B**
