I was born on a river that flows to the sea
Dm **Bb** **C**
And all that I know, well, she taught it to me
F **Bb** **F**
She is a dangerous beauty, she s fickle and cold
Dm **Bb** **C** **F**
But if you gave her respect, she might let you grow old.

Bb **F** **C**
She s a Syren that calls to us when we are on shore
Bb **F** **G** **C**
You can smell her and taste her and hear the waves roar
F **Bb** **F**
She the giver and the maker and the taker of life
Dm **Bb** **C** **F**
She s the tears of the mothers and daughters and wives.

Bb **F**
So Lightkeeper make sure your flame s burning bright
Dm **G** **C**
And keep us weel off of those rocks in these parts
Bb **F**
Guide us back home through the dark of the night
Dm **G** **C**
Oh lightkeeper shine like the moon and the stars

F **Bb** **F**
Work with the wind and we ll sail with the tide
Dm **Bb** **C** **F**
And haul the fish up from wherever they hide.

Bb **F** **C**
We belong to the ocean for better or worse
Bb **F** **G** **C**
And God will decide if it s a blessing or curse

F **Bb** **F**
Pitch black and blowing that s her gift to give
Dm **Bb** **C** **F**
She may kill us tomorrow but tonight let us live.

Bb **F**
So Lightkeeper make sure your flame s burning bright
Dm **G** **C**
And keep us weel off of those rocks in theese parts
Bb **F**
Guide us back home through the dark of the night
Dm **G** **C**

Dm **F** **C**
And drink to the whales and the gails and the spray
F **Bb** **F**
To the boat and the captain and the hard-working crew
Dm **Bb** **C** **F**
To the lobster and codfish let s drink to them too
Bb **F** **C**
May the fishin be good and wind always there
Bb **F** **G** **C**
Make it home make a promise and then hear the swear
F **Bb** **F**
By the salt in my veins and look in my eye
Dm **Bb** **C** **F**
I m a sailor and a sailor I ll be till I die

Bb **F**
