

**Mansions**

**The Mamas & The Papas**

Mansions

**A7**

Sitting in our mansion, guarded by expansion,

**C G7**

Questioning our motives and our means;

**Dm Em Gm**

Wondering why this isn't like the dream.

**A7**

Walls of wealth surround us, people cannot hound us.

**C G7**

A gentle Spanish lady cooks our meals,

**Dm Em Gm**

But we never ask her how she feels.

Limousines and laughter, parties everafter.

If you play the game, you pay the price

Purchasing a piece of paradise.

**A7 Gm**

Changes...changing...

**F C**

Fog and rain...

**F C**

London towns the same

**F C**

Borrowing time from friends

**F C**

Circles have no end.

Paris and Rome

Making their scene but missing our own.

Beatles and Stones

Then on the phone and come back home.

Changes...changing...

Nothing left to bind us; people cannot find us.

**C Gm**

You live your life and live it as you please.

**F C Gm**

Live your life exactly as you please,

Live your life and live it as you please

**F C G**

Please, live your life just as you please.
