Copernicus

The Mars Volta

Am Em

Close the doors...

C G/B

if you want to see her breathing again

Am Em

Blur the days...

C G/B

sleeping is just not an option

Am Em

How come every time I walk, you crawl?

C G/B

Then you cut out all the letters that make up this note

Am Em

I won t, I won t give up until I find out

C G/B

until I find what happened to you

Fmaj7

The solution inhaled from the rag I hold

Em

holds a maximum vacancy

Fmaj7

As I held you in crippled bandages

lm .

don t you stay up and wait for me

Αm

Left dangling in the wind...
