Dmadd9

Dmadd9
I ve always wanted

A*
To eat glass with you again

F#m
But I never knew how, how to talk without
Dmadd9
Walls dropping on the eve

Dmadd9
The nest they made couldn t break you
A*
Along the fallen scowled a fence of beaks

F#m
But the temple is scathing through your veins They were scaling
Dmadd9
Through an ice pick of abscess reckoning

C#m* **F#m6**
And when Miranda sang
Am6 **C#m***
Everyone turned away
C#m* **Am6** **E6**
Used to the noose they obey

Dmadd9

Dmadd9
And whoever said that they would scatter
A*
Separating the mother from child
F#m

She can bat a broken eyelid raining maggots from it s sty
Dmadd9

And with the traces that she leaves she will skin you out alive

Dmadd9

All the children go grinding their jaws

A*

The sweet smell of their toothless canals

F#m

And the damn she will break, make an ocean from this lake

Dmadd9

As they siphon off all our blood

C#m* F#m6

And when Miranda sang

Am6 C#m*

Everyone turned away

C#m* Am6 E6

Used to the noose the obey
