The Mars Volta

The Mars Volta- Televators(chords) by Matt Poile

I couldn't be bothered to keep reading rubbish tabs of this song so I just worked out the chords. Play Bm in the Triad position from the 7th fret on the E-string and G in the barre chord position and do some picking to make it sound more authentic...

Intro- Remember this song is in 3/4(3 beats in a bar)

Bm / / | Bm / / | Bm / / | Bm / / | G / / | G / / | G / / | G / / |
just as he...

the chords for the intro are the same as for the verse...
