VERSE I

Am F
You've gone alone, you've gone your way

You feel guilty for just being alive 
Am F
And all this time you've been so afraid to thrive

PRECHORUS

G F
When time catches up with you 
G F
And you can't see anything through....

CHORUS

C F
All that you have behind you 
Am F
is more than you'll ever need

Let history be there to remind you 

Am **F**
That everything is meant to be

Youâ€™ve come too far to give up now

If you donâ€™t take a chance nothing will change

PRECHORUS

Am **F**
so when are you gonna let it shine?

PRECHORUS II

G **F**
I know that youâ€™re really scared 

G **F**
But all that you need is there

G **F**
 And you were born innocent

So try to remember this...

All that you have behind you 
Am **F**
is more than youâ€™ll ever need

Let history be there to remind you

Am **F**
so when are you gonna let it shine?
